## *Wood bowls and utensils @ RRT*

Our mango wood bowls and utensils and the reclaimed teak serving spoons are highly polished and can be safely used for hot foods. They can be washed in hot soapy water, but we do not recommend use in the dish washer.

(left pic- fat novelty spoon, great for eating out of...mid pic, mango wood bowls! right pic -spreader.)

We have had several requests to put together a sensible collection for a first order. Here are 3 choices.
