

The "extra big, extra long blouse" actually fits many shapes. It has been the most popular blouse at Rainbow Road retail store for two summers. Our light cotton crinkle clothing is made in Thailand by a small group of women sewing from their homes.

They now have enough production that Rainbow Road Trading can wholesale their clothing. The extra long, extra big blouse to wash. White, beige, and many fabulous colours. Size L/XL. \$23. Call us about the other styles and colours available in this has flattering tucks, 15 coconut buttons and a V neck at the front and wide roll up sleeves. These clothes are durable and easy line.
