

## *CRITTER MITTS on SALE*

Rainbow Road Trading's 2011 wool shipment is on the way. We need space in our little warehouse so we are selling our hand knit, crazy critter mitts (fleece lined, the mouth is the thumb) for \$8. each. Regular price is \$12. Minimum order is 40 mitts (\$320.). We have black or white sheep, toucan bird, puppy, zebra, frog, rabbit, snake, leopard, or tiger. These mitts sell well in our retail store all summer long as many of our tourists cannot find something like this at home! Help us!! These folks seem to be multiplying in the corners. Thanks  
Maria
